Luna Community College

**March 30, 2020**

## **Luna summer registration on hold**

As Luna Community College continues to join other entities in combatting the COVID-19 pandemic, the institution continuously adapts its services and offerings to students and the community. Our primary concern is the health and safety of our students, faculty, staff and community members. With that in mind, the institution has made the decision to postpone the schedule release and registration for the upcoming summer 2020 session. Dates for the publication of the class schedule as well as the early registration period will be determined at a later date.

We at Luna Community College take this pandemic seriously; therefore, modifications of several services will continue to take place. The Office of the Registrar remains available to answer questions pertaining to class schedules and registration via e-mail at [registrar@luna.edu](mailto:registrar@luna.edu) or by phone at 505-454-2548. Please allow up to 48 hours for a return call if you leave a voicemail.

The Luna family stands strong, and together we will get through these challenging times. Thank you for your patience. Stay safe and healthy.
